

Grand Canyon Teacher Workshops – Fall 2011

October 21 – 23, 2011

November 4 – 6, 2011

Grand Canyon National Park offers teacher workshops to help educators understand how to incorporate Grand Canyon and its resources into their curricula. During the workshop, environmental education rangers conduct activities related to both our field trip programs and to the classroom-based lesson plans available on Grand Canyon National Park's website.

Two workshops will take place this year: October 21 – 23, 2011 and November 4 – 6, 2011.

Participants arrive at the park on Friday evening for a social gathering with the environmental education staff. The workshop continues all day Saturday and finishes Sunday afternoon around 2:30.

Through generous donations from private individuals and businesses, two nights of lodging are provided at no cost to you. In addition, the park entrance fee is waived for workshop participants. A \$50.00 registration fee merely covers workshop materials and other administrative costs of the event.
